

Academic Technology Alignment and Success Committee

DRAFT Process Flowchart 3/16/15

District Academic Technology Menu

District department, school, or teacher would like to use a technology solution

District department, school, or teacher has need for a technology solution

Checks the District Academic Technology Menu

Does the menu contain a suitable solution?

Yes
That solution is used.

No
Process for finding solutions for departments, schools, and teachers

No
Department / School / Teacher submits solution to ATASC

Submits solution to superior? (Principal, IS, etc?)

Does the submission warrant a full response?

No
Lightweight response is sent to school/teacher

Yes
Solution is evaluated for legal, technical, curricular and other criteria.

What is the result of this evaluation?

Supported
Department, School, or Teacher is notified that the solution is approved. Supports are put into place. PD is designed and delivered.

Allowed
Department, School, or Teacher is notified that the solution is approved.

Allowed with cautions
Department, School, or Teacher is notified that the solution is approved. Cautions are explained.

Not allowed
Department, School, or Teacher is notified that the solution is not approved. Referred to process for finding solution.
